**Federal Title V State Sexual Risk Avoidance (SRA) Education Program - FY 2019 Grant Year**

**Request for Grant Applications (RFGA)**

**I. BACKGROUND**

In FY2018, the U.S. Congress amended Section 510 of the Social Security Act (42 U.S.C § 710), by section 50502 of the Bipartisan Budget Act of 2018 (Pub. L. No. 115-123), and further by section 701 of Division S of the Consolidated Appropriations Act, 2018 (Pub. L. No. 115-141) to authorize funding to US DHHS. The Title V State Abstinence/SRA Education program supports funding to states, territories or other entities to provide education to youth 10-19 that normalizes the optimal health behavior of avoiding non-marital sexual activity. The program is designed to teach youth personal responsibility, self-regulation, goal setting, healthy decision-making, a focus on the future, and the prevention of youth risk behaviors such as drug and alcohol usage without normalizing teen sexual activity.

**II. SCOPE OF GRANT PROPOSAL**

DHEC solicits proposals from state and local public or non-profit organizations who can document their capacity to implement programs utilizing SRAE strategies which normalize the optimal health behavior of avoiding non-marital sexual activity to youth ages 10-19 in priority areas of the state as outlined in Table A. The organization(s) must have the documented infrastructure capacity to operate on a cost reimbursement basis.

**FUNDING FOR APPLICANTS IS DEPENDENT UPON RECEIPT OF FEDERAL FUNDS BY DHEC.**

Projects must focus on the social, psychological and health gains to be realized by delaying initiation of sexual activity and engaging in healthy relationships.

Sexual education programs that promote the use of contraceptives are NOT ELIGIBLE for funding under this RFGA. If information on contraceptives is provided, it must be medically accurate and complete and ensure that students understand that contraception offers physical risk reduction, but not risk elimination. Education cannot include demonstrations, simulations, or distribution of contraceptive devices.

Each awarded applicant shall use Federal SRAE funds administered by DHEC to provide services in the same or substantially same manner as detailed in DHEC's FY2018 SC State SRA Education Plan, which can be found at: <https://scdhec.gov/abstinence>.

**A. Federal Subaward Period (Program Period and Budget Period):**

Applications from all eligible applicants will be considered. The program and budget period is approximately twelve (12) months and will begin on October 1, 2019, or when Federal Subawards are fully executed, whichever is later, and will end on September 30, 2020. Awards are subject to funding availability from U.S. DHHS to DHEC.

**B. Available Funding:**

The total dollar amounts available under this RFGA totals \$870,000 dependent on an approved state application and availability of federal funds. The dollar amount awarded to the selected applicant(s) will be based on fund availability and the strength of applications submitted in response to the RFGA as evaluated by the review panel.

**C. Cost Sharing/Match Requirements and restrictions:**

There is no cost sharing/match requirement for these federal funds. Awardees must agree to use these funds only in accordance with the provisions of all applicable federal and state laws, regulations, policies and other terms and conditions governing this program and governing the use of federal funds. General and program specific Terms and Conditions can be found at <https://www.acf.hhs.gov/grants/mandatory-formula-block-and-entitlement-grants>

**NOTE:** These funds may not be used for the following:

- To supplant ongoing or usual activities of any organization involved in the project
- To reimburse pre-award costs
- To support planning efforts and other activities associated with the program or application
- For fundraising, political education or lobbying activities
- To purchase or improve land, or to purchase, construct, or make permanent improvements to any building.

#### D. Eligibility

1. Eligible applicants are state and local public or non-profit organizations who can document their capacity to implement programs utilizing SRAE strategies which normalize the optimal health behavior of avoiding non-marital sexual activity to youth ages 10-19 in priority areas of the state as outlined in Table A.
2. The organization(s) must have the documented financial ability to operate on a cost reimbursement basis.
3. Applicants must have the capability in all respects to perform fully the grant requirements and the integrity and reliability which will assure good faith performance which may be substantiated by past performance.

#### E. Risk Assessment

As noted in the [Code of Federal Regulations 2 CFR 200.331 \(b\)](#), DHEC as the pass-through entity of federal grant awards is responsible for monitoring subrecipients for compliance with all requirements of the award and applicable federal, state, county and municipal laws, ordinances, rules, and regulations.

Pre-award - DHEC has adopted a best practice approach of performing pre-award risk assessments before applicants receive Federal subawards. This best practice is consistent with 2 CFR 205. The pre-award risk assessment (**see Attachment III**) is in the form of a survey/questionnaire to be completed by the applicants/potential subrecipients. A completed pre-award risk assessment survey must be included with the application

Post-award - The post-award frequency of future monitoring will be determined by identification of any risk factors which would indicate a need for increased monitoring. Actual subrecipient performance will be monitored on an ongoing basis.

Methods for evaluating risk and ensuring compliance may include but are not limited to:

1. Risk assessment surveys
2. Desk audits of documentation
3. Reviewing the actions taken by the subrecipients to ensure obligations of subawards are being met
4. Interviews with the subrecipients, their clients and program staff
5. Reviewing financial stability (financial statements)
6. Assessing the quality of management systems and ability to meet the management standards prescribed in 2 CFR 200
7. Reviewing the prior history of the subrecipient's performance in managing Federal awards
8. Reviewing findings from audits

#### F. Service Delivery Area/Target Population:

SRAE programs must provide services to youth populations between the ages of 10 and 19. In addition, programs may target services to vulnerable youth populations to include: those living in under-resourced areas or areas with high teen birth rates and STIs, culturally underrepresented youth populations, especially Hispanic, African American, or Native American, youth in or aging out of foster care or adjudication systems, youth who are victims of trafficking, runaway or homeless. DHEC's intent for this funding is for SRAE programs to lower rates of:

- Out-of-wedlock births
- Abortion
- Adolescents 19 years old and younger who engage in sexual intercourse;
- Sexually Transmitted Infections (STI) and
- Teen pregnancies and births

Applicants should utilize Table A below to guide in the selection of targeted county/counties for program delivery. Priority areas are designated (1 through 5, with 1=highest priority) based on the most recent rates available for a subset of the indicators mentioned. Applicants are encouraged to plan services in Priority Areas 1-3. However, if the applicant plans services in Priority Areas 4-5, the applicant must provide justification for the inclusion of lower priority counties (such as plans to serve a high-risk population as described above or a larger number of youth).

Planning, service coordination, and communication are encouraged so that only one (1) organization and/or program type is funded in each area with federal resources. Current sub-grantees provide direct services to adolescents in schools and/or community organizations physically located in the following counties: Allendale, Barnwell, Bamberg, Berkeley, Charleston, Cherokee, Darlington, Dorchester, Florence, Greenwood, Greenville, Lee, Orangeburg, Richland, Sumter, and Williamsburg. Efforts should also be made to coordinate plans with prevention services provided by other youth-serving partners to create a multi-pronged approach to teen pregnancy prevention across the state.

**G. State Goal and Performance Measures:**

The goal of the SC SRAE program is to increase the proportion of adolescents, ages 10-19, voluntarily refraining from sexual activity as a means to prevent teen pregnancy and STI by providing education that normalizes the health behavior of avoiding non-marital sexual activity. Programs are school-based, community-based, or faith-based, and must be evidence-based or evidence-informed, medically accurate, culturally appropriate and age-appropriate for the target population. Programs funded by the FY2019 Title V State SRAE grant will incorporate positive youth development (PYD) strategies that empower youth to build healthy life skills and protective factors that mitigate the impact of past and future negative factors.

State Performance Measures for FY 2019 include:

1. By September 30, 2020, a minimum of 4,000 SC youth ages 10-19 will have been served through a SRAE program in either a school, community, or faith-based program;
2. By September 30, 2020, a minimum of 3,000 SC youth ages 10-19 will complete at least 75% of a SRAE program in either a community, school, or faith-based setting in priority areas of SC;
3. By September 30, 2020, 3,000 adults will have received information on SRAE and effectively communicating with youth on sexual health topics; and
4. By September 30, 2020, SC SRAE sub-grantees will complete a minimum of 10 parent/child events in targeted communities in SC.

This RFGA funding is intended to impact the state measures listed above.

    - a) Provide data that demonstrates how the selected curriculum and overall proposal systematically applies key program elements that have been found to be effective in positive youth behavior change, especially delaying initiation of sexual activity, returning to a lifestyle without sex, and refraining from non-marital sex.   9. Utilize a positive youth development (PYD) framework for risk-avoidance strategies to help participants build healthy life skills and protective factors that mitigate the impact of past and future negative factors, empower participants to make healthy decisions, provide tools and resources to prevent pregnancy and STIs, and prevent youth engagement in other risky behaviors.

Subrecipient must maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award and administration of contracts. No employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a Federal award if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract. Subrecipient's officers, employees, and agents may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. However, Subrecipient may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct must provide for disciplinary actions to be applied for violations of such standards by Subrecipient's officers, employees, or agents.

If Subrecipient has a parent, affiliate, or subsidiary organization that is not a state, local government, or Indian tribe, Subrecipient must also maintain written standards of conduct covering organizational conflicts of interest. Organizational conflicts of interest means that because of relationships with a parent company, affiliate, or subsidiary organization, Subrecipient is unable or appears to be unable to be impartial in conducting a procurement action involving a related organization.

The non-Federal entity may not earn nor keep any profit resulting from Federal financial assistance.

27. **PREVENTING AND REPORTING, FRAUD, WASTE AND ABUSE** DHEC has procedures and policies concerning the prevention and reporting of fraud, waste and abuse (FWA) in agency-funded programs, including but not limited to those funded by federal grants such as Medicaid. No agency employee, agent, or Subrecipient shall direct, participate in, approve, or tolerate any violation of federal or state laws regarding FWA in government

programs.

Federal law prohibits any person or company from knowingly submitting false or fraudulent claims or statements to a federally funded program, including false claims for payment or conspiracy to get such a claim approved or paid. The False Claims Act, 31 U.S.C. §3729-3733, and other "whistleblower" statutes include remedies for employees who are retaliated against in their employment for reporting violations of the Act or for reporting fraud, waste, abuse, or violations of law in connection with federal subawards or grants, or danger to public health or safety. Under State law, persons may be criminally prosecuted for false claims made for health care benefits, for Medicaid fraud, for insurance fraud, or for using a computer in a fraud scheme or to obtain money or services by false representations. Additional information regarding the federal and State laws prohibiting false claims and DHEC's policies and procedures regarding false claims may be obtained from DHEC's Subawards Manager or Bureau of Business Management.

Any employee, agent, or Subrecipient of DHEC who submits a false claim in violation of federal or State laws will be reported to appropriate authorities.

If Subrecipient or Subrecipient's agents or employees have reason to suspect FWA in DHEC programs, this information should be reported in confidence to DHEC. A report may be made by writing to the Office of Internal Audits, DHEC, 2600 Bull Street, Columbia, SC 29201; or by calling the DHEC Fraud, Waste and Abuse Hotline at 803-896-0650 or toll-free at 1-866-206-5202. Subrecipient is required to inform Subrecipient's employees of the existence of DHEC's policy prohibiting FWA and the procedures for reporting FWA to the agency. Subrecipient must also inform Subrecipient's employees, in writing, of their rights and remedies under 41 U.S.C. §4712 concerning reporting FWA or violations of law in connection with federal subawards or grants, or danger to public health or safety, in the predominant native language of the workforce.

**28. OTHER REPRESENTATIONS OF SUBRECIPIENT** Subrecipient represents and warrants:

- (a) Subrecipient has the professional, technical, logistical, financial, and other ability to perform its obligations under this Subaward.
- (b) Subrecipient's execution and performance of this Subaward do not violate or conflict with any other obligation of Subrecipient.
- (c) Subrecipient has no conflict of interest with its obligations under this Subaward.
- (d) Subrecipient has not initiated or been the subject of insolvency, receivership, or bankruptcy proceedings, whether voluntary or involuntary, within the last seven years.
- (e) Subrecipient has not previously been found in breach or default of any government subaward, and is not the subject of any investigation (to its knowledge) or pending litigation for breach or default of any government subaward, except as disclosed in Exhibit \_\_\_\_\_.
- (f) Subrecipient is a Corporation, Limited Liability Company, or Other \_\_\_\_\_ (select one) duly organized, validly existing and in good standing under the laws of Enter location and authorized to transact business in South Carolina, with full power and authority to execute and perform its obligations under this Subaward.

**29. LOBBYING** Subrecipients who receive federal funds pursuant to this agreement, are prohibited from using any of the grant funds to engage in lobbying activities and must adhere to applicable statutes and regulations as a condition of receiving the federal funds. These prohibited activities include both direct and "grass roots" lobbying at the federal, state, and local levels, legislative and executive functions.

No part of any grant or Subaward funds will be used to pay the salary or expenses of any person related to any activity designed to influence the enactment of legislation, appropriations, regulation, administrative action, or Executive order proposed or pending before the Congress or any State government, State legislature or local legislature or legislative body, other than for normal and recognized executive-legislative relationships or

participation by an agency or officer of a State, local or tribal government in policymaking and administrative processes within the executive branch of that government. This prohibition shall include any activity to advocate or promote any proposed, pending or future Federal, State or local tax increase, or any proposed, pending, or future requirement or restriction on any legal consumer product, including its sale or marketing, including but not limited to the advocacy or promotion of gun control.

31 U.S.C. § 1352 certification (45 CFR Part 93).

The undersigned (authorized official signing for the applicant organization) certifies, to the best of his or her knowledge and belief, that:

No federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal subaward, the making of any federal grant, the making of any Federal loan, the entering into of any cooperative agreement and the extension, continuation, renewal, amendment, or modification of any Federal subaward, grant, loan, or cooperative agreement.

If any funds other than federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal subaward, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

The undersigned shall require that the language of this certification be included in the award documents for all Subawards at all tiers (including subawards, subgrants, loans and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

**30. CONFIDENTIALITY:**

- a. Subrecipient will comply with all confidentiality obligations under federal and state laws and DHEC policies and requirements including but not limited to the Federal Educational Rights and Privacy Act, 20 U.S.C. §1232g, and the Health Insurance Portability and Accountability Act (HIPAA), Public Law 104-92, as amended, and regulations (45 CFR Parts 160 and 164), as applicable. Confidential information means information known or maintained in any form, whether recorded or not, consisting of protected health information, other health information, personal information, personal identifying information, confidential business information, and any other information required by law to be treated as confidential, designated as confidential by DHEC, or known or believed by Subrecipient or Subrecipient's employee or agent to be claimed as confidential or entitled to confidential treatment.
- b. Subrecipient will not, unless required to perform its responsibilities under this Federal Subaward or required by law (as determined by a court or other governmental body with authority):
  1. access, view, use, or disclose confidential information without written authorization from DHEC;
  2. discuss confidential information obtained in the course of its relationship with DHEC with any other person or in any location outside of its area of responsibility in DHEC; or

3. make any unauthorized copy of confidential information or remove or transfer this information to any unauthorized location or media.
  - c. Subrecipient will direct any request it receives for confidential information obtained through performance of services under this Federal Subaward, including a subpoena, litigation discovery request, court order, or Freedom of Information Act request, to the DHEC Federal Subaward Manager and DHEC Office of General Counsel as soon as possible, and in every case within one business day of receipt. If Subrecipient discloses confidential information pursuant to a properly completed authorization or legal process, order, or requirement, Subrecipient must document the disclosure and make the documentation and authorization available for DHEC inspection and audit.
  - d. Subrecipient must ensure that its employees, agents, and subcontractors who may have access to DHEC confidential information are aware of and comply with these confidentiality requirements. Subrecipient must ensure that any release of confidential information is limited to the minimum necessary to meet its obligations under this Federal Subaward and applicable law. If Subrecipient is a business associate and will or may have access to any Protected Health Information (PHI) under the Health Insurance Portability and Accountability Act (HIPAA), Public Law 104-92, as amended, and regulations (45 CFR Parts 160 and 164), Subrecipient will sign and comply with DHEC's Business Associate Agreement (DHEC Form 0854) and protect PHI in compliance with HIPAA. DHEC may, in its discretion, require Subrecipient and Subrecipient's employees, agents, and subcontractors to sign DHEC Form #321A, the DHEC Contract Confidentiality Agreement, to protect information contained in a particular DHEC program area.
  - e. Subrecipient must immediately notify the DHEC Compliance Officer at 803-898-3350; 1-888-843-3718, [compliance@dhec.sc.gov](mailto:compliance@dhec.sc.gov), and the DHEC Contracts Manager of any unauthorized use or disclosure of confidential information received under this Federal Subaward. Subrecipient will promptly notify DHEC of any suspected or actual breach of security of an individual's personal identifying information under S.C. Code Section 1-11-490 and will assist DHEC in responding to the breach and fulfilling its notification obligations under applicable law, including S.C. Code Section 1-11-490.
  - f. Subrecipient's obligations under this provision and any other agreements concerning confidentiality shall survive termination, cancellation, or expiration of the Federal Subaward.
31. **REVISION OF LAW** The provisions of the Subaward are subject to revision of State or federal statutes and regulations and requirements governing.
32. **LICENSE/ACCREDITATION** Subrecipient represents and warrants that Subrecipient and Subrecipient's employees and/or agents who will perform services under this Subaward currently hold in good standing all federal and state licenses (including professional licenses), certifications, approvals, and accreditations necessary to perform services under this Subaward, and Subrecipient has not received notice from any governmental body of any violation or threatened or actual suspension or revocation of any such licenses, certifications, approvals, or accreditations. Subrecipient and its employees/agents shall maintain licenses, certifications, and accreditations in good standing during the term of this Subaward. Subrecipient will immediately notify DHEC if a board, association, or other licensing or accrediting authority takes any action to revoke or suspend the license, certification, approval, or accreditation of Subrecipient or Subrecipient's employees or agents providing or performing services under this Subaward.
33. **HIPAA TRAINING** Before participating in any DHEC clinical activity or rendering any service to DHEC and its clients under this Subaward, Subrecipient will ensure that its employees/agents are educated and trained regarding the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and related regulations pertaining to the privacy and security of protected health information (the HIPAA Privacy Rule.) Subrecipient will provide

documentation of successful completion of this training to the Contracts Manager before initiating performance of this Subaward. If this training has not been conducted, or documentation of training has not been provided, Subrecipient and its employees/agents will be required to receive necessary instruction using DHEC's e-learning system before initiating performance of this Subaward.

34. INDEMNIFICATION "Claim" in this provision means a claim, demand, suit, cause of action, loss or liability. Notwithstanding any limitation in this Subaward, and to the fullest extent permitted by law, Subrecipient shall defend, indemnify, and hold DHEC and its officers, directors, agents, and employees harmless from any Claims made by a third party for bodily injury, sickness, disease or death, defamation, invasion of privacy rights, breach of confidentiality obligations, infringement of intellectual property rights, or for injury to or destruction of tangible property arising out of or in connection with any act or omission of Subrecipient, in whole or in part, in the performance of services pursuant to this Subaward. Further, Subrecipient shall defend and hold DHEC harmless from any claims against DHEC by a third party as a result of the Subrecipient's breach of this Subaward, including any breach of confidentiality by a person to whom Subrecipient disclosed confidential information in violation of this Subaward. Subrecipient shall not be liable for any claims by a third party proven to have arisen or resulted solely from the negligence of DHEC. This indemnification shall include reasonable expenses including attorney's fees and expert witness fees incurred by defending such claims. DHEC shall provide timely written notice to Subrecipient of the assertion of the claims alleged to be covered under this clause. Subrecipient's obligations hereunder are in no way limited by any protection afforded under workers' compensation acts, disability benefits acts, or other employee benefit acts. This clause shall not negate, abridge, or reduce any other rights or obligations of indemnity which would otherwise exist. The obligations of this paragraph shall survive termination, cancellation, or expiration of the Subaward.

The parties to the Federal Subaward hereby agree to any and all provisions of the Federal Subaward as stipulated herein.

### Overview of State of SC/DHEC Travel Reimbursement Policies for Vendors & Subrecipients Updated Jan 2019

Non-state employees, including sub-recipients, who are on official, approved travel status for DHEC related-business AND whose contract with DHEC states specifically that they follow the State travel reimbursement policies follow the same State/DHEC travel reimbursement policies that State employees follow. And they must provide the same documentation and receipts that a state employee would provide.

DHEC and the State Comptroller General's Office have the authority to deny any travel reimbursement requests that do not follow the State and DHEC travel reimbursement policies. This overview is not a substitute for reading and understanding the full travel reimbursement policies in the DHEC Travel Manual. Please see the manual for more detailed information.

Note that if a non-state employee is traveling from out-of-state to SC while on official, approved travel status for DHEC related-business, all of the trip's reimbursable expenses are processed as in-state and the meals follow the State of SC's in-state rates. If a non-state employee travels from SC to out-of-state while on official, approved travel status for DHEC related-business, all of the trip's reimbursable expenses are processed as out-of-state and the meals follow the State of SC's out-of-state rates.

#### TRAVEL REIMBURSEMENT DOCUMENTATION REQUIREMENTS:

1. **DHEC 103 Manual Travel Expense Report.** A DHEC manual travel expense report is available upon request in PDF and Excel formats. The vendor must complete a DHEC 103 Manual Travel Expense Report or comparable form and must include the following information:
  - the itemized expenses for each day
  - the departure time from home or office for the first day of their trip
  - the arrival time to home or office for the last day of their trip
  - signature for the vendor's traveling employee
  - signature for the DHEC supervisor involved with the vendor's project
2. **DHEC 104 Out-of-State Travel Form.** This form is required to be completed if DHEC is reimbursing or paying travel expenses for DHEC related-business conducted outside of the state of South Carolina.
3. **DHEC 178 Travel Log.** Optional, available tool for the traveler to keep track of their travel expenses.
4. **Receipts.**
  - Itemized, paid receipts are required for the following types of expenses:
    - o **Lodging.** Must show hotel name, hotel address, name of room occupant, dates of stay, amount charged for nightly rate, taxes and fees, and total amount due. When reimbursing the employee, the hotel invoice must show a zero balance to support reimbursing the employee.
    - o **Airfare.** Must show airfare rate/charges and flight itinerary. Airline baggage fees are reimbursable and require receipt.
    - o **Other transportation** such as major buses, Amtrak and rental cars. Taxis, subways, metro, etc., do not require receipt; however, please explain amounts on travel form.
    - o **Miscellaneous expenses**, such as the following, purchased for DHEC-related business use while on travel status:
      - parking,
      - telephone calls,
      - internet/wi-fi access,

- gasoline for rental or State cars. Receipt must include vehicle tag number. (Considered Misc. Travel Expense but uses 5031530000 Gasoline GL code),
- faxes,
- maps, and other supplies
- o **Registration fees.** Must include paid registration receipt showing event name, dates, amount paid, and an agenda showing if meals are included in fee or not.
- Receipts are NOT required for the following reimbursable travel expenses:
  - o Regular meal receipts at or below State allowances and not included in registration fees are not required.
  - o Tolls, taxi, subway, airport shuttle, metro, and portage (mandatory charge for carrying bags in/out of hotel, NOT a tip).

## OVERVIEW OF MOST COMMON TRAVEL EXPENSES: MILEAGE.

- • Mileage is only reimbursed when driving their own car. Mileage is not reimbursed for using a rental car.
- • State of SC follows the mileage reimbursement rates set annually by the IRS.

MILEAGE TYPE	Reimbursement Rate* for travel dates...	
7/1/2018 TO 12/31/2018	1/1/2019 TO 12/31/2019	
REGULAR MILES	\$0.545 per mile	\$0.58 per mile
REDUCED MILES	\$0.505 per mile	\$0.54 per mile

*\*Rate published by the Office of the Comptroller General. Rate may change annually on Jan 1.*

## MEALS.

- Must be at least 10 miles from their assigned headquarters and residence on official, approved travel status for DHEC related-business for DHEC to reimburse for meals.
- DHEC follows the State of SC meal reimbursement rates, NOT the Federal GSA meal and incidental rates.
- Meals for non-state employees who are on official, approved travel status for DHEC-related business are reimbursable ONLY at the State daily allowable meal amounts.

DAILY	In-State	Out-of-State	Departure from home or HQ...	Arrival back to home or HQ...
Breakfast	\$ 8.00	\$ 10.00	prior to 6:30 am	after 11:00 am*
Lunch	\$ 10.00	\$ 15.00	prior to 11:00 am	after 1:30 pm
Dinner	\$17.00	\$25.00	prior to 5:15 pm	after 8:30 pm
Maximum	\$35.00	\$50.00	prior to 6:30 am	after 8:30 pm

- The travel expense report must include the departure time from home or headquarters for the first day of the trip and the arrival time back to home or headquarters for the last day of the trip.
  - o For the first day of the trip, they would use the Departure column in the table above to decide which meals they are eligible for based on their departure time. For example, they must depart home or HQ before 6:30am on the first day to be eligible for breakfast reimbursement.
  - o For the middle days of the trip, times are not required, and they receive the full day \$25 for meals.

- For the last day of the trip, they would use the Arrival column in the table above to decide which meals they are eligible for based on their arrival time. For example, they must arrive back at home or HQ after 8:30pm on the last day to be eligible for dinner reimbursement.
- Meals for one-day trips (no overnight stay) follow the same daily allowable amounts listed above but they follow special rules for reimbursement eligibility.
  - One Day Trip (No Overnight Stay and Meal NOT Included with Registration). In most cases, one-day meals are NOT reimbursable. If the employee has a one-day trip with no overnight stay, meals are not reimbursable unless they are at least 10 miles from headquarters and residence AND meet these other requirements:
    - Dinner is reimbursable only if the employee leaves headquarters before 5:15 pm and returns after 10:00 pm.
    - Breakfast and lunch are not reimbursable for one-day trips unless the employee has written Bureau Director approval AND follows the departure and arrival times for both meals.
    - Meals already paid as part of a registration fee are not reimbursable to the employee.
  - Any meals claimed for a one-day trip are subject to income tax, except for non-optional meals included in registration fees. Please talk with your tax consultant regarding any reporting requirements.
- If the non-state employee attends a conference or meeting where the registration fee includes a meal, then the non-state employee is not reimbursed for that meal, unless a valid, written justification is provided to explain why they couldn't participate in the meal.
  - Meals Included with Registrations:
    - If an employee is requesting reimbursement for a registration fee they paid that includes a meal(s) (breakfast, lunch, or dinner; NOT a continental breakfast or "reception"), State policy requires that meals included in registration fees at no option be separated from the total amount of the registration fee and claimed as a meal at the State rate on the travel document. This does not result in any loss of reimbursement to the employee but is simply a matter of accounting.
    - If a meal is included in a direct bill registration fee or lodging fee, the employee should not claim additional reimbursement unless the employee is unable to eat the included meal and pays for a substitute meal out-of-pocket. The claim will be restricted to the same rates as any other meal reimbursement.
- If the hotel provides a hot breakfast (including a hot protein like eggs, bacon, etc.; does not include a "continental" breakfast) as part of the hotel rate, they do not receive a separate breakfast reimbursement. They only receive a breakfast reimbursement if they pay for breakfast out of their own pocket and it meets the time-of-day restrictions for the meal reimbursements.

## LODGING.

- Must be at least 50 miles from their assigned headquarters and residence on official, approved travel status for DHEC related-business for DHEC to reimburse or pay hotel direct bill for overnight accommodations.
- Paid lodging "folio" receipt showing nightly rate is required for reimbursement.
- **State of SC agencies follow the official GSA maximum lodging rates, available at [GSA.gov](https://www.gsa.gov).** The nightly rate before taxes charged by the hotel must be at or below the GSA max lodging rate. The GSA max lodging rate is before taxes. Taxes on the GSA max lodging rate are reimbursable.

- Be aware that some hotels may say they have a "government" or "special" rate, but it may still be higher than the official GSA max lodging rate. State of SC only acknowledges the official GSA max rate.

**AIRFARE.** When making airline reservations, whoever makes the reservation should secure the most cost-efficient flight, taking advantage of any cost savings that may be available at the time of travel. In accordance to State policy, "State agencies and employees shall select air carriers based on cost and time criteria, not on whether frequent flyer premiums are given. First class and business class airlines tickets are not allowed." The employee must fly at the lowest rate available and any extras will be at the employee's cost.

- Itemized airfare receipt is required showing entire itinerary.
- Baggage fee is reimbursable and baggage receipts must be included with travel reimbursement claim.
- Any charges for flight changes must include an explanation/justification. Charges for flight changes can only be reimbursed if there is a cost benefit to Agency to change the flight.

**RENTAL CAR.** If the non-state employee drives a RENTAL CAR while on official, approved travel status for DHEC related-business, then the mandatory, non-optional expenses on the rental company's invoice can be paid.

- Requires paid receipt.
- In addition to the fee to rent the car, the rental company may also charge for mileage used while the car is rented, where they check the rental car's odometer before and after the trip. If that is on the rental company's bill, DHEC can pay that.
- Optional items can NOT be paid or reimbursed by DHEC.
- DHEC can NOT reimburse the non-state employee for personal-car mileage at the current IRS mileage rates when a rental car is used instead of a personal car.
- DHEC can reimburse the non-state employee for gasoline for the rental car during the rental period. The gas receipt or credit card statement showing the expense must be provided WITH the rental car's license plate number written on the receipt. Note that the rental car license plate often appears on the rental car receipt or contract. Gas for a rental or State car is considered a Misc. Travel Expense but uses 5031530000 Gasoline GL code.

**TAXI, AIRPORT SHUTTLE, AND METRO.** These three types of "other transportation" do NOT require receipts but are reimbursable. If they do have the paid receipt, it is nice to see it with the travel reimbursement, but again, the receipt is not required for these. Tips are NOT reimbursable.

**TOLL ROADS.** Reimbursable but receipts are NOT required.

**TIPS VS. PORTERAGE.** Tips are NOT reimbursable. Porterage, a mandatory charge for carrying bags in/out of a hotel, is reimbursable and does NOT require a receipt.

### BUDGET TEMPLATE AND INSTRUCTIONS FOR NARRATIVE JUSTIFICATION

#### **General Information:**

For each cost category listed in the budget, provide a detailed narrative justification for all requested costs that is consistent with the purpose, objectives and proposed program activities in your plan. Be specific about the costs under each broad category

#### **Cost Sharing:**

Costs benefitting two (2) or more activities funded with more than one (1) federal grant program and/ or other state or local funding should be shared based on the proportional benefit. For any budget category/item, if your Title V SRAE grant costs are shared with other funding sources you should show what portion or percentage is for the Title V SRAE grant and what portion benefits other funding. The total annual projected costs for your organization for an item (e.g. rent, utilities) should be shown to validate the portion shown for the Title V SRAE grant effort. For example, XYZ Organization's annual rent is \$30,000 and there are 10 staff and 10 office spaces. One staff conducts Title V SRAE Abstinence Education classes, while nine staff conduct other unrelated programs. Therefore, 10% (\$3,000) is charged for rent cost for Title V SRAE grant.

#### **Administrative costs:**

Administrative costs include operating and maintain facilities; general administration and general expenses, such as the salaries and expenses of executive officers, personnel administration and accounting; depreciation or use allowances on buildings and equipment; costs of audits (if required); management and oversight activities of specific programs under this contract; development and establishment of reimbursement and accounting systems; and overhead and indirect costs. Administrative costs may be reflected in several of the budget categories (e.g. personnel, supplies, other and indirect), and should be identified in the budget description for any specific item.

#### **Unallowable costs:**

These are costs of your organization that are not allowed because of contract/RFGA, State and or Federal laws and regulations. Examples include but are not limited to: administrative costs in excess of the amount allowed by a federal grant, fines/penalties, late fees, fund raising costs, lobbying costs, bad debts, alcoholic beverages, bonuses, construction, meals for staff within 50 miles of headquarters and not associated with conference/meeting.

#### **Specific Budget Categories**

Personnel: List each person (s) by name, title annual and/or hourly salary, amount of time on program. Include staff proposed to be hired if position is vacant or new. Provide a summary description of their job duties related to programs in this proposal. If partial funding is requested for a position, then indicate the other sources of funding for this position, the amount, and responsibilities under these funding sources. Separate personnel costs for program/direct service providers and administrative positions.

Fringe Benefit/Employer Contributions: List each type of fringe benefit and how it is calculated (such as FICA, Medicare, unemployment, workmen's compensation and all other payroll taxes, health and dental insurance, life insurance, retirement, annual leave, etc.). If a composite percentage rate is used for all benefits provided, sufficient documentation should be provided to justify the composite rate. Employer contributions for each staff person should be equal to the percent of the FTE allocated for a particular staff (e.g. if a person is funded 75% from these funds, then employer contributions from these funds should equal 75%).

Travel: List all anticipated travel costs. The costs must directly benefit and be specific to the work in connection with the services or activities described in Scope of Work of the RFGA. All travel must be limited to local and direct services and training/conferences that directly relate to the delivery of planned programs. Travel will be included within the maximum amount of the contract.

Equipment: List each type of equipment, who will use it, purpose for the equipment purchase, the vendor and price/quote. Cost sharing must be applied if equipment will be used for other than Abstinence Education activities. Equipment should be identified as office, educational/training or other.

Supplies: Supplies are items that cost under \$500 and have “life” of less than a year. These include educational materials, printed material, office supplies, etc.

Contracted Services: These are services you are buying from somewhere else. Contract services include consulting fees and subcontractors. Specify if the contracted service is for administration or direct program services. Subcontractors should be listed separately. **All subcontractors must be approved by DHEC.** Provide the following for each subcontractor:

- How the contract was obtained (competitive bid process, etc.)
- Target audience, as applicable
- Period of contract performance
- Type of contract (fixed, ongoing, etc.)
- Type of organizations solicited
- Description of activities to be provided
- Detailed budget justification for broad categories

Other: Describe each item listed in this category in terms of what it is, who will benefit and why it is necessary. If the item will be shared with other programs or administrative/overhead expenses, then cost sharing must be applied and the proportion of the cost for this grant must be indicated. This category should include items such as rent; printing (offset) of brochures/materials; photocopying/duplication; telephone; internet service, postage; utilities (gas, electric, water/sewer); security system; pest control, training and/or meeting expenses (details all costs including room expenses, AV equipment rental, speaker fees, refreshments); insurance; accounting/bookkeeping; data processing; bank charges; dues and subscriptions; and equipment maintenance (if not included in equipment category and not included in the base for the indirect cost rate).

Indirect Costs (Overhead/General and Administrative): – if applicable: Indirect costs may be reflected if your organization has a Federal approved indirect cost rate. If your organization has an established indirect cost rate, give the rate, the base or basis against which the rate is applied, and the costs included in the rate. Examples of indirect costs include bookkeeping, office furniture, and administrative oversight. If your organization uses an indirect cost rate, then the items included should not be listed under other budget categories. Provide the source for your indirect cost rate if one is used. \*Note: Applicants without a federally negotiated indirect rate may elect to utilize a *de minis* indirect cost rate of 10% of direct costs OR the costs can be clearly reflected in the appropriate budget categories above.
